Blessed are You Adonai our God, Ruler of the World, who by speaking created the Heavens, and all of its inhabitants through the wind of your mouth; You gave them a law and a time so they could not alter their roles, joyous and happy to do the will of their Creator, the Doer of Truth whose deeds are true. And to the moon, you said to renew its crown of glory for those with heavy stomachs, for in the future they will renew themselves like you and glorify their Creator by the name of Holy Sovereignity. Blessed are You Adonai, who renewer of months.

Blessed is your Former, Blessed is your Maker, Blessed is your Possessor, Blessed is your Creator. Just as I dance before you but I can not touch you, so too let my enemies fail to touch me for evil. Terror and dread descend upon them; Through the might of Your arm they are still as stone. Like stone, they are still, Your arm's might; and dread, terror, upon them descend. Long Live David, King of Israel!

We greet one another with the greeting and response below Greeting:
